

Skills/Compétences Canada and Skills Canada Manitoba Stanley Black & Decker Tool Enhancement Program Application

Skills/Compétences Canada, Skills Canada Manitoba, and Stanley Black & Decker are pleased to distribute a collection of Stanley DEWALT tools used at the 2017 Skills Canada National Competition to schools in Manitoba. Recipients will receive a package that includes a variety of DEWALT tools such as cordless power tools, miter saws, scroll saws, and Stanley hand tools such as screwdrivers.

Up to six schools will each receive equipment valued up to approximately \$10,000 for use in their junior or senior trade and technology programs.

This program is for eligible schools located in the province that is hosting the Skills Canada National Competition.

To apply, please complete the requested information with any additional supporting documents (if desired) and submit to the contact information provided at the end of this document.

Application deadline: Monday, May 8, 2017 noon

Schools selected to receive the tool enhancement package will be contacted by Tuesday May 23. **Tools must be picked up on Saturday, June 3 at the RBC Convention Centre (time to be confirmed). This is at the schools own expense. The equipment will not be shipped to schools.**

Please contact Sharon Côté if you have any questions via email at: sharonc@skillscanada.com
