

EMPOWERING WOMEN IN TRADES

Step into the Empowering Women in Trades space, a hub dedicated to showcasing the array of exciting skilled trade career opportunities available to young women through engaging and interactive activities. Here, industry leaders are helping young women discover the fulfillment and satisfaction that tradeswomen find in their work. Proudly sponsored by Cenovus, this space encourages more young women to explore and pursue careers in the skilled trades.

Sponsors include: Cenovus, UA Canada, UBC Millwright, CN, Vale, and Viega.

Visitors will have the opportunity to:

- Talk to tradeswomen to learn more about the fantastic careers in the skilled trades;
- Check out the photo booth;
- Take home some fun activities;
- And much more!
