About Skills/Compétences Canada

Skills Canada was founded in 1989 as a national, not-for-profit organization with partner Skills Canada organizations in each of the provinces/territories that work with employers, educators, labour groups and governments to promote skilled trade and technology careers among Canadian youth. Its unique position among private and public-sector partners enables it to work toward securing Canada's future skilled labour needs while helping young people discover rewarding careers. Skills Canada offers experiential learning opportunities including skilled trade and technology competitions for hundreds of thousands of young Canadians through regional, provincial/territorial, national and international events, as well as skilled trade awareness programs. Headquartered in Ottawa, Ontario, Skills/Compétences Canada is the Canadian Member Organization of WorldSkills.
